

Liam Milovick

Kamloops, BC | (778) 220-7817 | lmilovick@gmail.com

Profile

Culinary professional and community-minded entrepreneur driven by a deep respect for local food systems and the people who sustain them. From operating remote luxury kitchens to building custom distribution networks that link local producers like Desert Hills with regional markets, my work is rooted in a passion for making fresh, seasonal ingredients accessible. I thrive where culinary craft meets purposeful logistics, dedicated to strengthening the bond between BC producers, chefs, and our communities.

Skills

- Food distribution
- Cold-chain logistics

Education

Lab2Market Validate | Food Systems Innovation | 2026

Culinary Red Seal | Exam Written May 12th

Tourism Studies at Thompson Rivers University

Owner | Local Connect

Kamloops, BC | April 2024 – Present

- Founded and operated a regional food distribution business connecting BC producers with local restaurants.
- Custom-developed a proprietary ordering system to streamline fulfillment, procurement, and customer onboarding.
- Managed end-to-end supply chain logistics, including sourcing and inventory coordination.
- Facilitated high-profile regional partnerships, successfully connecting Swelaps Market with Desert Hills Produce.
- Engaged in regional food systems research to help address local supply chain challenges.

Chef De Partie | Great Canadian Heli-Skiing

Rogers Pass, BC | Dec 2025 – Apr 2026

- Managed independent kitchen operations, food prep, and inventory in a high-pressure, remote luxury lodge, delivering consistent staff meals and guest après-ski services.
- Sustained a reliable partnership with the company, initially providing corporate catering via Milo's Adventure Catering before transitioning into a full-time culinary role.

Owner & Chef | Milo's Adventure Catering

Kamloops, BC | Jan 2022 – Sept 2023

- Operated a full-service catering business delivering menu planning, procurement, and culinary execution for corporate events, tourism experiences, and private groups.
- Managed all backend business operations, customer coordination, and complex transportation logistics for dynamic and remote environments.

Sous Chef | Katch Kitchen & Bar

Kamloops, BC | Oct 2022 – Oct 2024

- Managed back-of-house operations, including ordering, inventory control, food costing, and menu development.
- Trained culinary staff and maintained strict quality and service standards during high-volume shifts.

Additional foundational culinary experience dating back to 2019 available upon request.
