

LC Food Service Weekly Harvest Box

Made in collaboration with Stoney Flats Harvest & local Indigenous artist Paige Creates

Fresh, rotating local produce.

Built to deliver strong customer value while maintaining an attractive retail margin.

The Product

Contents rotate weekly based on what is being harvested at Stoney Flats. The goal is a high-value, seasonal assortment that gives customers a simple way to discover fresh local produce while keeping the program practical and profitable for the retailer.

Example Box

- Stoney Flats Carrots - 2 lb
- Stoney Flats Green Onions - 1 large bunch
- Stoney Flats Roma Tomatoes - 2 lb
- Stoney Flats Mixed Squash - 2 squash
- Stoney Flats Russet Potatoes - 5 lb
- Stoney Flats Cherry Tomatoes - 1.5 lb clamshell

Art + Packaging

Box: 15 × 12 × 10 in medium corrugated box

Artwork: Hand-drawn sticker by Paige Creates

Farm: Stoney Flats Harvest, Pritchard, B.C.

Digital experience: QR code links to a branded page featuring the current week's box contents, information about Stoney Flats Harvest, and the story behind the artwork.

Program Positioning

A ready-to-retail local produce feature that combines farm traceability, rotating seasonal discovery, original local artwork, and an accessible price point in one branded package.

Pricing & MOQ

15 BOXES	\$22.00	\$30.00	26.67%
Minimum order	Retailer cost / box	Suggested MSRP	Gross retail margin

Margin calculation: $(\$30.00 \text{ MSRP} - \$22.00 \text{ cost}) \div \$30.00 \text{ MSRP} = 26.67\%$. Weekly contents are seasonal and may vary according to harvest availability.
